Morgan County Integrated Community Engagement (ICE) Alliance

Acknowledging that effective community transformation, to benefit local families and youth, requires total community buy-in through a collaboration process that equally includes all related agencies establishing a forum for transparently sharing research and information that supports the alliance while fully respecting each participating organization's assets and viewpoints;

We, the members of the Bath Town Council express our desire to participate in helping to creating a local ICE Alliance for strengthening our community through primary prevention of drug and alcohol abuse for our youth.

In so making this declaration, we willingly offer any support that we can give to advance the effort and objectives of the Morgan County ICE Alliance.

So declared, this 21st day of June in the year 2017

Scott E. Merki
